

DUMONT TELEPHONE COMPANY SERVICE AGREEMENT

1. Terms and Conditions. This Service Agreement includes the terms and conditions under which Dumont Telephone Company, an Iowa corporation (together with any subsidiaries or affiliates providing your Service or Equipment, "we," "us" or the "Company") will provide you communications services ("Service") and ancillary equipment ("Equipment") as set forth in your Service Level Agreement attached as Exhibit A and incorporated by this reference as set forth fully herein.

This Service Agreement applies to both regulated and non-regulated communications services. In the event that any of the terms of your Service Agreement conflict with the terms of our lawfully enacted services catalog for any regulated service, the terms in the services catalog will control as to that regulated service.

2. Rates; Invoicing. Nonrecurring and recurring charges for the Service and Equipment are as set forth in your Service Level Agreement and/or the services catalog we maintain, current versions of which are available upon request. Recurring charges are billed monthly, in advance. Installation charges, service calls, Equipment charges, usage based fees, storage based fees, and other non-recurring charges or items that cannot be billed in advance will be billed in arrears on the following month's invoice. All charges, along with applicable local, state and federal taxes, regulatory assessments, fees and charges, cost recovery charges and other applicable charges and fees will be itemized on your invoice. You must pay all charges, including all applicable taxes, fees and surcharges, by the due date on the invoice. If you have signed up for electronic billing, you may elect not to receive a paper invoice. Failure to pay invoices when due may result in late payment fees of up to 1.5% per month (18% per year) on the unpaid balance and/or other penalties, including suspension or disconnection of Service. We may charge you an insufficient funds or returned check fee, up to the maximum rate allowed by law, if your check, bank draft, electronic funds transfer, or other order for payment is dishonored or returned for insufficient funds or any other reason. We require a deposit. If the Service is canceled or disconnected for any reason, we will, subject to applicable law and regulations, apply your deposit toward payment of outstanding charges. Any amount remaining on your deposit after twelve (12) months will be paid back to you.

3. Contract Term. The agreed term of this Service Agreement (the "Contract Term") is set forth in your Service Level Agreement. After any Contract Term has expired, you will receive Service on a month-to-month basis until Service is terminated by you or canceled by us in accordance with this Service Agreement.

4. Termination. Notwithstanding any Contract Term, you may terminate this Service Agreement for cause in the event of our material breach of any term in this Service Agreement by notifying us in writing, by e-mail or verbally, so long as verbal notice is provided by the registered account holder. Upon receipt of such notice, your Service will terminate on the date requested. Notwithstanding any Contract Term, we may at any time immediately cancel this Service Agreement and disconnect Service in the event that you violate the terms of your Service Agreement, any applicable acceptable use policy, or fail to pay any invoice when due without notice. Where we terminate the Service for cause, you must pay any costs and expenses associated with the termination or collection of charges, billings or fees under this Service Agreement, including attorney's fees.

5. Equipment. We will provide Equipment for your independent installation, unless provided otherwise in your Service Level Agreement. You must notify us of any defects to the Equipment or objections within ten (10) business days after its delivery and installation. If you fail to so notify us, we will assume the Equipment was delivered in good repair and is satisfactory and acceptable to you. If we provide the initial installation and configuration of your Equipment, such work will be performed on a time and materials basis in accordance with our applicable rate schedules in effect at the time of your order. In certain cases, you may elect to independently acquire or supply your own equipment ("Customer Supplied Equipment" or "CSE") instead of buying equipment provided by us. In no event will we be liable for incompatibility, fitness, damages, or defects caused or sustained by the Equipment caused by your or any third-party installation or CSE.

We will provide you Equipment for the term of Service Agreement and solely for your use in connection with lawfully receiving and using Service. We may from time to time sell you certain Equipment at a price and otherwise on such terms as are specified in your Service Level Agreement. Ownership of, and title to, any purchased Equipment shall transfer to you at the time of sale. You will bear all risk of loss, theft or damage to purchased Equipment. We may from time to time lease or license to you certain Equipment at a price and otherwise on such terms as specified in your Service Level Agreement. All leased or licensed Equipment remains our property and must be maintained and returned as provided herein. We have no responsibility for replacing Equipment destroyed or damaged by your misuse, abuse or neglect. In the event that any Equipment provided by us is destroyed, damaged (ordinary wear and tear excepted), lost or stolen while in your possession, you may be liable to us for an equipment recovery fee ("ERF") up to the full cost of repair or replacement of such Equipment. To the extent of your insurable interest therein, you may elect, at your sole cost, to have Equipment covered by insurance. You acknowledge that we are not the manufacturer of, nor a dealer in, any Equipment.

6. Return of Equipment. If you cancel the Service or if Service is disconnected by us, then you must return any leased or licensed Equipment, or Equipment for which full payment has not been received by the Company to us during our regular business hours, Monday through Friday (except holidays), within ten (10) days of the cancellation or disconnection of Service. The Equipment must be returned to us in the same condition that you received it, except for normal wear and tear. All Equipment must be returned to our business office or an alternative location designated by us at the time of cancellation or disconnection. If you are unable to travel to our business office or other designated location to return the Equipment, you may request pick-up service. Provision of pick-up service is solely at our option and our refusal or failure to provide pick-up service will not excuse your obligation to return Equipment. If we agree to provide pick-up service, pick-up will occur during the business week and only during regular business hours. There may be a fee for pick-up, which you will be informed of when you request pick-up service and which will be payable at time of pick-up. The Equipment shall not be returned by mail or delivery service. If after ten (10) days from cancellation or disconnection of Service, any leased or licensed Equipment has not been returned to us, you may be liable to us for an ERF in an amount up to the full cost of replacement of such Equipment. ERFs are cumulative and in addition to any other charges or fees you may owe us and any fees or charges that we may charge upon cancellation or disconnection of Service.

10. Indemnification. You agree to hold harmless and indemnify us and our affiliates, officers, agents and employees from any claim, suit or action arising from or related to your abuse or misuse of any Service or Equipment, or any other violation of your Service Agreement, including any liability or expense arising from claims, losses, damages, suits, judgments, litigation costs and attorneys' fees arising from or in connection with the same. In the event you use the Service and/or Equipment contrary to the terms of this Service Agreement, any applicable end user license agreement or user guide, you shall be liable to us for any damages caused by such activity.

11. Limitation on Remedies. 12. Severability. If any part or provision of your Service Agreement is held, in whole or in part, to be invalid, illegal, or unenforceable by any law or regulation of any governmental or regulatory authority or by the final determination of any court of competent jurisdiction, that part or provision will be construed consistent with applicable law or regulation as nearly as possible, and the remaining parts and provisions will remain in full force and effect. Such invalidity or non-enforceability will not invalidate or render unenforceable any other part or provision of this Service Agreement.

13. Entire Agreement; Conflicts. Your Service Agreement supersedes any prior agreements between us, and any and all prior or contemporaneous statements, understandings, writings, commitments or representations concerning its subject matter.

14. No Implied Waiver. Our failure to exercise or enforce any right under or provision of your Service Agreement shall not constitute a waiver of any such right or provision.

15. Changes to Terms. We reserve the right to change any term or condition of this Service Agreement upon thirty (30) days written notice to you. The notice may be provided on your monthly bill, as a bill insert, by email, on our website, or by other written communication. You may, within fourteen (14) days upon receipt of notice of such change, cancel your Service Agreement if the communicated change would materially adversely modify the terms (including price) of Service or your rights under this Service Agreement. If you elect not to cancel your Service Agreement and continue to use Service after receiving notice of any such changes, your continued use of Service will constitute acceptance of the changed terms and conditions.

16. System Availability. Although we will try to provide continuous access to the Service, we cannot and do not guarantee that the Service will be available 100% of the time and will not be liable in the event Service is unavailable. 3. **Prohibited Uses and Activities.** This AUNMP identifies certain uses and activities that Company considers to be unlawful or abusive and therefore strictly prohibited. The examples listed herein are non-exclusive and are provided solely for guidance to customers. Company, at its sole discretion, reserves the right to discontinue service for any unlawful use. In the event of uncertainty as to whether any contemplated use or activity is permitted, please contact a customer service representative for assistance. In addition to any other illegal or abusive uses or activities, the following constitute violations of this AUNMP:

4. **Network Management Practices.** Service is available for individual customer use only and not for resale. Pricing is based on contemplated usage not exceeding commercially reasonable limitations. Unlimited plans and features offered as part of any service may **ONLY** be used for normal residential or business use. During certain peak usage times, Company may limit data transfer speeds in a non-discriminatory fashion, which may slow the rate of streaming video or download speeds. Company will not unreasonably discriminate in the transmission of lawful network traffic. Company will not block access to lawful content or websites, applications, services, or non-harmful devices. Company will keep accurate records of your service location(s), quantities, and usage under your service agreement. Company reserves the right to immediately disconnect or modify your service if Company determines, in its sole and absolute discretion that your use of service is, or at any time was, inconsistent with normal residential or business usage patterns or is otherwise in violation of this AUNMP. In the event your usage exceeds applicable usage limitations and as an alternative to disconnection of service, Company may offer you a revised service agreement including higher rates for usage of service that is deemed to be inconsistent with normal residential or business use. Company reserves the right to protect its network from harm, which may impact legitimate data flows. Company reserves the right to limit throughput or amount of data transferred, and to deny or discontinue service, without notice, to anyone it believes is using an unlimited data plan or feature in any manner prohibited herein or whose usage adversely impacts Company's network or service levels.

IMPORTANT NOTICE REGARDING YOUR ACCOUNT INFORMATION

Dumont Telephone knows the importance of personal privacy to our customers. Dumont Telephone keeps all account information strictly confidential to the fullest extent possible and uses industry-accepted technology to safeguard customer data. Recent changes in federal law concerning telecommunications companies regulate the use of account information to selectively market specific products and services to specific customers.

1. What kind of information are we referring to?

This information, legally referred to as Customer Proprietary Network Information (CPNI), includes data such as which long distance carrier you have chosen, what calling features you use and which calling plans, if any, you have subscribed.

2. Who uses this information and is it protected?

Only Dumont Telephone can see or use this information. It is never released to outside companies. You have the right, and we have the duty under federal law, to protect the confidentiality of this type of information.

3. What do I need to do?

No action on your part is necessary unless you wish to restrict Dumont Telephone's use of this type of information to contact you for the purpose of tailoring our service offerings to your individual needs. Should you wish to restrict use of your CPNI, please contact our office at 857-3211 or 267-2300 or online at dumontel@netins.net. Your request should be sent within 30 days of receipt of this notice. Restricting CPNI may make you ineligible to receive information from Dumont Telephone about new products and services, packaged offerings, and various promotions.

4. How does this affect services I receive?

Whatever you decide will not affect the provision of any services to which you subscribe. Your approval or denial for use of CPNI will remain valid until you tell us otherwise. Again, we only use your account information to market other telecommunication products and services we offer and no action is required on your part unless you wish to restrict our use of your CPNI. You will still receive monthly bill inserts, quarterly newsletters, and other publications that are sent to all customers at the same time, so you will be kept up-to-date on what is happening in the company. We look forward to being able to serve your telecommunication needs more efficiently with new products and services based on the information we know about your account.
